

WHY MORSPACE?

NEVER GET LESS THAN YOU DESERVE

MORFLEXIBILITY

MORSPACE is a stackable/de-stackable frame and tile system with true off-modular capabilities.

MORPOWER

MORSPACE offers 4-circuit, 8-wire electrical system with baseline and beltline power distribution.

MORCABLING

MORSPACE provides standards-based cable pathways with top-to-bottom cable management and optional zone distribution.

MORQUALITY

MORSPACE has a lifetime warranty with load-bearing frames, heavy gauge steel components and Class A fire retardant rating, and exceeds all ANSI/BIFMA industry standards.

MORSTYLE

MORSPACE offers 13 different tile options, full integral drawer pull, 13 paint finishes (including 4 metallic), 14 laminates with 9 PVC edge finishes, 8 Coverseal finishes (including 5 wood grains) for curvilinear worksurfaces and numerous fabric choices.

MORSERVICE

MORSPACE provides free CAD support services.

MORVALUE

MORSPACE offers more quality and features than any other system for the price.
